

IS4301 Agile IT with DevOps – Tutorial 2

Adjunct Professor Foong Sew Bun

Department of Information Systems and Analytics

National University of Singapore

Scope of Tutorial 2: Sprint 0 for Identified Fintech Statement

In this tutorial session:

- Determine name for your sprint team.
- Perform standup ceremony facilitated by scrum master (10-15 mins)
 - Stand around in a ring
 - Each team member takes turn to describe briefly:
 - What he/she had completed last week?
 - What he/she intends to work on this week?
 - What lessons learnt or obstacles team members need to be aware of?
- Prepare spreadsheet of story board for your identified challenge statement. At the end of the tutorial session, upload into the LumisNUS titled "sprintTeamName_tutorial2.xls"
